Accumedic's History:

Accumedic is proud to announce that as of this month we are celebrating our 40th Year in Business. With clients in over 30 states, we focus on Behavioral Health (mental Health & Substance Abuse Counseling). We have in the past 5 years added OTP Dispensing (liquid, table, film and injection) to our Certified Solution.

Accumedic's EHR offers Customized Workflow based on your agency's requirements, from first contact through discharge. AccuMed includes custom templates, eRx and eLabs. Our solution provides an enterprise Scheduler and Revenue Cycle Management. Additional modules can be added such as Eligibility Verification, Auto Remittance Posting, Appointment Reminder, and Credit Card Processing. Accumedic supports the exchange of health information in Ohio thru the Ohio Health Information Partnership
